June Newsletter

Kate Mason - Manager

I don't know about you but I'm ready for the summer sun to kick it into gear! Enough of this rain already. Don't worry, I have a feeling that our patience is about to be rewarded!

There will be many great tournaments and events for you to participate in in the coming weeks. We put these events together for all of you, so please try to come out and have a great time on the course during these special days!

Lastly, we are looking for your help! If you are a member, tell your friends and coworkers how much you enjoy being a member. Invite them to join our email club or come join you for a round. The more we can grow Pembroke Pines together, the more we will be able to do for you! And that's what it's all about!

What a great month of golf May was here at Pembroke Pines. All the leagues have gotten under way and are in full swing as we head into June. It won't be long before we are in the playoffs!

We kicked off the tournament season with the 1st Annual Pem-Can Classic. It was a great event and turnout for the first year of this event. We are looking forward to many more years of the Pem-Can as a tradition at both Canterbury and Pembroke, hopefully years from now, you can say you've been playing since year 1. Our first club event took place in May with the Jack & Jill. Congratulations to Josh Lacasse and John Carroll for taking home the gross division title, while Al Douglas and John Campbell claimed the net division crown.

There are still lots of great events to come this season. The Ladies 6-6-6 and Mens 55-55 in June and both Mens and Womens Member-Guests in July. It will be a busy summer full of lots of great events, be sure to check the Calendar of Events on our website to make plans to participate.

You never know when a lifetime memory might happen out on the course! Jon Natti hit a Hole-in-One last weekend on hole #16! Congratulations on your special moment Jon!

Lastly, I would like to thank everyone for their support and well wishes after the Beaver Meadow Pro-Am. If anyone is interested in playing in a pro-am check out the NHPGA schedule and let me know!

Warm weather is slowly making its way to Pembroke! And it couldn't come at a better time!

With the Spring showers behind us, and the front 9 drying out, course conditions are improving by the day! Just like golf itself, no matter how good you are, you can always get better! With that thought in mind, we are now over-seeding the fairways and rough in weak areas to take our game to the next level, so you can take your game to the next level!

Golf is back! And we are ready for you in the Pembroke Pub!

A little something for those of you in the ladies and couples' leagues to look forward to, Arna will be in the kitchen for you every week, so be sure to stop in after your round for some great tasting food!

We are working out some of the details for some fun Summer activities around here so be sure to stay tuned for more information as it becomes available!

As always, we have our Boston Sports beer specials going, come down and help cheer the Bs on to the hoisting the Cup!

See you in the Pub - Angela
