August Newsletter

Kate Mason - Manager

Members and guests alike are fully enjoying their golf this year! It helps when the course is in such great shape, and that is a testament to the hard work Dave and his grounds crew have put in over the past few months. Couple that with the friendly Pub staff, good food, and the tournament opportunities and golf events that Ben has put together, and you have all the makings of a top-notch country club you can be proud to be a part of!

August kicks off our Membership Drive for 2020 and is a great time to introduce us to your friends who may not know about PPCC yet. Remember, new members get Tri-Member privileges at Canterbury Woods and Ridgewood, and play the rest of 2019 for FREE! We also have a new member referral bonus for existing members! With all this and more, there's no better time to become a member at Pembroke Pines!

Make sure you come out to the course and get your game in top form as we have a few major events coming up in August for you to play in! The Men's and Women's Member/Member will be taking place this month. Both of these events are always a great time with some great golf being played!

Our Leagues will be wrapping up in the next month, rain has really put a damper on quite a few nights in July. As we all know, Mother Nature always wins.

One way to make sure you always get your golf in is to sign up for a membership. We have our Membership Drive going on now and if you sign up for a 2020 membership between now and September 15th you will get Tri-Member privileges to play at Canterbury Woods and Ridgewood Country Club and get to play the rest of this year for FREE!

Experience the difference of becoming a member at PPCC!

See you on the course - Ben Stone

We had some extreme heat the past few weeks, and that can sometimes cause major damage to a golf course! With a lot of hard work and a little luck, we have been able to keep the grounds in really good shape! Now, with some good water, the rest of the year should see nothing but lush grass throughout the course! All the better for your birdies!
