

Total Golf Management

February Newsletter

Ben Stone, Head Golf Professional –

Finally it looks like we are into the golf season with this great stretch of weather we have had. You all have certainly come out and taken advantage of the best days we had in April. It's good to see so many returning members and new members coming out to enjoy Pembroke Pines. Not even a little rain could stop a dedicated group from going out and playing in our Opening Day Scramble. The team of Nate Blais, Nate Kosko, Kyle Tillotson and Tim Mounsey shot a remarkable 57 to finish five shots ahead of second place. Alicia Perry, Christy Ebbs, Brian Johnson and Travis Sylvia stuck the closest to the pins. After play the groups went in and enjoyed a lunch spread prepared by chef Marty. It was a great day and fun was had by all.

There are a lot of events coming up in the month of May. On the 3rd we have our Men's Twilight beginning play for the season. On the 19th and 20th we have our Jack & Jill tournament. This is a 2 person best ball tournament where Saturday's play is from the blue tees and Sunday's play is from the red tees. The 20th is also member appreciation day so we welcome all members to come out and play and enjoy some food at the turn. Our Ladies Twilight league will begin on May 23rd with a 5pm shotgun start. Lastly this month the pro shop will start running weekend games, so players can begin to earn points for the Mitchell-Cornish Cup.

Feel free to stop by the shop and talk golf. My door is always open if you're looking for help with a certain aspect of your game, looking for some new clubs, or just to talk about the weekends round! If anyone is interested I will be starting to play in some of the NHPGA pro-ams this month and will have signup sheets in the pro shop for anyone that is interested.

Fairways & Greens
