April Newsletter

Kate Mason - Manager

At last...it's time to tee it up! It has been a long winter, but our entire team has been hard at work to make 2019 PPCC's best year ever!

Thank you again for your input into our surveys. It really lets us know what needs to be done to give you the best experience possible, and that is what we are all about! We have constructed a brand new website as well as addressed other issues such as our pace of play, fresh cold water on the course, and more as we continue to strive to make Pembroke Pines the #1 golf course in the region!

We are very excited about the upcoming season, and I know you are as well. Please reach out to any of the staff if you have any questions, comments, or concerns. Looking forward to a great season with all of you!

Head Golf Professional**

The snow is gone and the grass is showing...time for some golf!!! We are now open as of Friday 3/29!!! Only 9 holes to start, but soon the entire course will be ready for you to get out there and start working on that handicap! Be sure to check out the website, social media, or call the Pro Shop for tee times, greens fees, specials, and more!

We will begin taking sign-ups for leagues on the following dates:

Mens league: April 4th
Womens league: April 10th
Couples: TBA (May)

The Simulator League has wrapped up and we had a great season. The competition was tight, but in the end the team of Tom Snow Sr, & Jason Colby finished in 1st place! Congratulations! We had a tie for 2nd place between the teams of Geoff Souther & Roger Page and Pat Poirier & Chris Wall.

As I mentioned, the course is now open! We have all waited through the winter, and while the simulators are great, nothing can beat the feel of the fresh cut grass under your feet as you dial in on the flagstick. The entire staff here has been hard at work all year long to give you the very best when you visit Pembroke Pines. Hopefully you are as excited about the upcoming golf season as we are, and if not, then it's time to get there! Golf is back and Pembroke Pines is open and ready to provide you with the very best golf experience in the region.

If you need anything at all, please reach out to myself or any of the staff. Can't wait to see you out there!

Head Superintendent

The sun has been working hard to melt the last of the snow out there, and I have been working equally hard to get the course ready for you to enjoy.

The front 9 drainage and irrigation project has been completed which will help keep the fairways and greens nice and lush all summer! Also, the back 9 now has paved cart paths throughout! This will surely make for a smoother, more enjoyable ride during your round!

With all of the work and improvements we've done, this will be our best year yet at PPCC! I look forward to seeing you all out there!

Golf is back! And we are ready for you in the Pembroke Pub!

We will continue our New England Sports team specials on select draft beers this season...Go Sox!

Also, the simulators will run year-round! Now, if it's a little too chilly for you outside or you get rained out, you can still get your round in and not miss a beat! While you're here at the Pub, try your luck at some Keno! We have already had a number of big winners here, are you next? I hope so!

Don't forget to join us April 14th for The Masters! From 1-3pm we will have Sam Adams 26.2 and "new & improved" Summer Ale samples, specials, and raffles!

See you in the Pub - Angela
