Kate Mason - Manager

By now, many of you have already been out on the course and played some golf.

We recently held our 1st event of the year, the Opening Day Breakfast Scramble. This tournament was once again a success, and it was all because of you! Be sure to check out the website for a list of upcoming events that you can participate in.

We have all been working diligently to tighten up the loose ends around the course and clubhouse in an effort to give you another great golf season! We appreciate your patience and understanding while we round our game into mid-season form!

We are very excited about the upcoming season, and I know you are as well. Please reach out to any of the staff if you have any questions, comments, or concerns. Looking forward to a great season with all of you!

We finally had some good weather roll in and it was great to see everyone come out and play a few rounds!

April was a great start to the season! We had some nice weekends of golf and the Opening Day Breakfast Scramble kicked off our annual schedule of events. This leads us to a busy month of May....

Both the Men's and Women's Twilight league kick off their seasons in May. As well as diving into our tournament schedule with the inaugural PemCan Spring Classic and Jack & Jill. These two events are a great chance to get an early jump on your Mitchell-Cornish points.

The biggest event in April didn't take place at Pembroke Pines; it was Tiger winning his 5th Green Jacket. What an unbelievable event to watch. Even if Tiger is not your favorite PGA tour pro, you must admit that this was a good thing for the game of golf. Now we should see the rest of the field step up their game knowing that the Big Cat is back!

Thank you to everyone that stopped by for our Masters Party and Coffee with the Pro, it was great chatting with everyone and we are looking forward to a great year here at Pembroke Pines.

Lesson packages are available to help you get your game into shape as the warmer weather starts to move in. Stop by the Pro Shop or give me a call to set up a time for a lesson.

If you need anything else at all, please reach out to myself or any of the staff. Can't wait to see you out there!

Some of you may have noticed that over the past week or two the course has been greening up quickly and playability is getting much better since we opened!

We are going to continue to edge the bunkers around the course and start to focus on the tee box areas. The greens are in good shape and are only getting better as we get closer to the warmer months.

We are beginning to see the results of months and months of hard work getting the course into the best possible playing condition we can for you to enjoy!

Golf is back! And we are ready for you in the Pembroke Pub!

Welcome back Kate, Martha, Marty, Jessy and Ange and welcome our new cart girls Aaliyah and Brianna. Aaliyah is going to school to get her LNA and hopes to become an RN. In her free-time she loves being outdoors and hiking. Brianna also loves the outdoors and enjoys fishing, kayaking, and hiking.

The picnic tables are out, and the cornhole bags are flyin'!

We are looking for additional help working in the kitchen, if you are interested or know someone who may be, please stop by and see me.

See you in the Pub - Angela

Director of Marketing

I would like to thank all of you who I have meet so far at the course. Each one of you has been very pleasant and provided a warm welcome to me, and I appreciate that.

Our Facebook photo contest was a big success and I will be launching other contests throughout the summer so be sure to stay tuned into our social media channels. If you do not already, please "like" us on Facebook. Be on the lookout for our forthcoming Instagram page! This will be an extension of PPCC featuring some great photography from around the course.

We are still taking sign-ups for tee box sponsorships. If you or someone you know may be interested in advertising your business by sponsoring a hole at Pembroke Pines or Canterbury Woods, please email Gregg for more information at gford@totalgolfmanagement.biz
