## A Message from Management

The great weather continues in Central NH and the course is really shaping up! Kudos to Dave and the grounds crew for maintaining superb playing conditions for all our members and guests. We all are looking forward to the completion of the redesign construction on the back scheduled for next month.

Again, we want to remind members and guests that personal alcohol is prohibited on the course. The Pub and beverage cart can provide you with alcoholic beverages during your round. Compliance with this NH State requirement protects the club's liquor license, as well as the safety of all our players.

Members and guests are also reminded that golf carts can only be operated by individuals aged 18 and older. Anyone under the age of 18 is not permitted to drive a golf cart.

July has some great events at PPCC. We hope all members and guests will take advantage of these events and enjoy the fabulous course conditions and fantastic food and beverage offerings at the Pub. If you have any questions, please talk with the Pro Shop staff or contact me at 783-9400 ext. 14. As always, we welcome and appreciate your thoughts and suggestions.

Sincerely-  
Kathleen Dube  
General Manager, Total Golf Management

## Pro's Corner

**Ben Stone, PPCC Head Golf Professional**

The summer has started to fly by. Hard to believe we are already halfway through July! June passed us with some rain showers, but it was great to see so many of you out here taking advantage of all the great weather we had.

A few of our club tournaments took place, including the Ladies 6-6-6 with Mindy Inglis-Reid and Dot McCully winning the gross side and Shannon Boudreau and Christy Ebbs winning the net side. Also our Men's Club Championship was held in June and we had an exciting finish coming all the way down to the 36<sup>th</sup> hole. Ricky Bergevin, Jr., shot a final round 68 to edge out Josh Lacasse by 1 shot. Josh opened the tournament with an impressive first round score of 65. Both Josh and Ricky are representing Pembroke Pines at the State Am.

Also in July we look forward to having the golf course featured in the Concord Monitor's Golf Hole of the week section.

There is a lot going on at the course – come by and check it out!
