Upcoming Events

Opening Scramble and Dinner – May 7
Member Appreciation Day – May 21

A Message from Management

We have had a great spring season this year in spite of some days of cooler weather and yes, even snow! The course is in excellent condition already thanks to Dave and his crew. They have been hard at work overseeing the continued construction of new tee boxes and installation of irrigation lines. These and other course improvements will make your golfing experience at Pembroke Pines rewarding and enjoyable.

We want to let members know about a special incentive to encourage new memberships. Members who recruit new members will receive \$100 in pro shop credit for every member they recruit. Also, please note that for members who chose the Tavern credit option as their early sign-up benefit, certificates are available in the Pro Shop. Just pick yours up the next time you are at the course.

There are some great events coming up in May for our members. These events offer a great opportunity for you to meet and greet PPCC staff and fellow golfers. We hope you will join us on May 21 for Member Appreciation Day. This day will feature golfing events, complimentary burgers and dogs at the turn, and other fun giveaways. We look forward to seeing you there!

Sincerely,
Kathleen Dube
Business Manager, Total Golf Management

Eric Thompson, PPCC Head Golf Professional

Hello Pembroke Pines Members and Guests! The golf season is now well underway and what a great start to the season we have had thus far. Let us hope the good weather holds through May 7th, the date of our first golf tournament for 2016, the Opening Scramble. This is a blind draw, 4-person team scramble format and is a ton of fun! Please call or stop in to the golf shop to sign up.

Also, please look forward to the Member Appreciation Day. We greatly appreciate our members each and every day, yet we wanted to show our appreciation through a special day devoted just to our loyal members. On Saturday, May 21st, all members can play regardless of membership type and we will be having complimentary hotdogs, hamburgers, and refreshments at the turn! Call to reserve your tee time today.

Golf league season has already begun with the Tuesday Night Men's League having completed a few weeks of competition. Our large Thursday Night Men's League begins play on May 5th and is shaping up to be a historic year for league participation in 2016. Our Wednesday Ladies' League and popular Friday Couples' League are beginning sign ups currently and will both start play in late May.

Pembroke Pines has seen several recent improvements to the golf course, including several new tee boxes, irrigation lines, and a fresh fleet of golf carts among other things. With all of the positive improvements taking place at the course, both indoors and out, I hope you will join us in making this the best year at Pembroke Pines yet! Please stay tuned as future improvement projects continue to come to fruition.

Kindest Regards-
Eric

Turf Talk

Happy Spring All!

The golf course is starting to really green up nicely as warm temperatures move into the region. Currently, the Pembroke Pines Maintenance Team is working hard to complete the tee box renovation project. The sub base layer is down and irrigation lines and valves are set and ready to go. We have begun the process of shaping the ground and covering tee-surrounds with loam. Root zone mix will soon be added and then the final layer of sod will be applied. If Mother Nature continues to do her best, we should see the new tees playable by mid-May.

Stay tuned for additional improvement projects to come for your golfing enjoyment!

Thanks,
Dave Bouldry
Head Superintendent
