A Message from Management

We are happy to be having great weather this month and some much needed warmth and sunshine for the course. Kudos to our grounds crew for continuing to maintain superb playing conditions for all our members and guests! Relative to some of our recent course improvements, the new tee boxes on the front nine are now complete and look fantastic.

Please be reminded that the Pub has a beverage cart out on the course to serve food and beverages during your round. Note that it is against NH State Law to carry personal alcohol on any golf course.

The events and activities are well underway at PPCC this year. The Member Appreciation Day on May 21 was a great success. We thank all members for attending and hope everyone had a fun time. There are some great events coming up in June and we encourage you to participate in as many as possible. As always, we welcome and appreciate your thoughts and suggestions.

Sincerely,
Kathleen Dube

Hello Folks!

The first day of summer is just around the corner and with so much going on at the course recently, this month absolutely flew by!

The greens were aerated on Monday, May 2nd, and are healing quite well. With good sunshine and precipitation on the way, the putting surfaces will be back to prime condition very soon. Our other major course improvements include the new tee boxes on the front nine. These are taking root and look spectacular.

Our Ladies' League kicked off on Wednesday May 11th with an excellent first week of play. We want to thank our "Ladies of the Pines" for playing and supporting the club. We hope you have a great season!

On Saturday May 21, we held our 1st Member Appreciation Day. This fun day included complimentary food at the turn, giveaways, and amazing merchandise deals in the golf shop. We had an excellent turn out and we hope everyone had a great time playing!

Couples league is also just around the corner with our June 3rd Fun-Night Scramble. Last season consisted of 20 couples in two divisions and we hope to have many more this year! Sign up early.

I hope to see you all at the course soon.

Eric
