Pro's Corner

Ben Stone, PPCC Head Golf Professional

Golf season is finally upon us! Welcome to another great year at Pembroke Pines Country Club. For those of you who have not been by the course since its opening, my name is Ben Stone and I am the new Head Golf Professional here at PPCC. I arrived at Pembroke Pines after serving as the Assistant Golf Professional at Laconia CC. In the first months so far, I have met a good majority of the membership, and as the weather continues to improve, I look forward to meeting the rest of you and having a successful first season at the club.

Make sure you stop by the club to see all that is happening. We have leagues and tournaments starting up this month and a lot of other great events planned in the future. My door is always open. If you have any suggestions or comments on how we can improve events, please feel free to stop in, or if you just want to talk golf, come by the shop.

Fairways & Greens
Ben

The new green on #18 is looking great!

Turf Talk

Hello everyone and welcome back to the 2017 golf season! During the winter, we continued our course renovation and construction. Currently, we are widening the fairway on #14 and seeding the area to get grass growing. The removal of the tree in front of the bunker on #11 will help to improve the pace of play. Finally, we are seeing grass growing on the new #18.

Our goal is to make your golf experience with us more enjoyable and the course more playable. We are excited about the season to come!

Thanks,
Dave Bouldry
Head Superintendent
